ADVENTURE AWAITS. BOOK TODAY!

THE BEAR WHISPERER™ – GRIZZLIES & SALMON – THE CYCLE OF LIFE

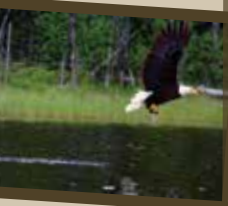
Bear watching on salmon spawning rivers. See eagles and other wildlife.

WALK WITH THE BEARS

What's around the next bend in the river? Find out as you "walk with grizzlies". An exhilarating, adrenalin pumping adventure on remote salmon rivers.

MOUNTAIN HIGH ADVENTURE

Alpine hiking, bears, wildlife, birds and nature. Spectacular mountain vistas, boreal forests, mountain meadows, and wildlife flowers.



SPIRIT OF THE MOUNTAINS *NEW*

High adventure canoeing on a wilderness river, hiking in remote valleys and alpine, and a heli-hiking adventure in the remotest part of the Caiboo Mountains.

BIRDING IN THE CARIBOO MOUNTAINS

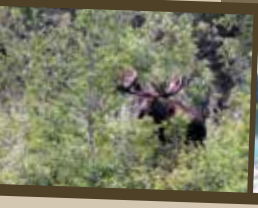
Birds and wildlife, wetlands, boreal and alpine – over 250 species of birds in the Cariboo Mountains. Spectacular flowers, plants and ecosystems. Easily combined with other programs.

CALL OF THE WILD – WILDERNESS, WOLVES & NATURE

Snowshoeing in moose wintering grounds, wolves, lynx, winter birds – swans, Barrows and common goldeneye, grand slam of chickadees, owls, eagles, grosbeaks, and winter song birds. A unique and interesting look at winter wilderness and wildlife survival.

WORLD CLASS FLY FISHING

Wild native trout and salmon on 4 major rivers in the Cariboo Mountains watershed.



WHY ECOTOURS-BC?

Total immersion and pure connection with nature puts you on the inside of the forest — seeing with the eyes of the forest. Become one with nature and the wild creatures. It is pure joy. An experience that brings a lifetime of memories from the adventure and life changing moments in nature.
