Travel the backcountry and mountain valleys, rivers and peaks with Gary Zorn, the Cariboo Mountains "bear whisperer™" and his team of professional guides. Gary's passion for the 'big bears' has led him into the backcountry where he has observed and learned the ways of the bears, their habits and habitats. Gary has a lifetime of grizzly bear and wildlife experience. His passion for the big bears has provided him with a great wealth of knowledge and much entertainment. You will learn much about the bears that few people have had the chance to experience.

Canoeing the Cariboo River is a special experience as you glide with the flow of the river – the only sounds the dip of your paddle, the call of the eagles, and the rush of the river. Wildlife watching by canoe allows you to silently enter the world of the animals before they know you're there giving you excellent viewing and photographic opportunities. Watch as the grizzly and black bears pad

along the river sandbars, the moose slips under the water to feed on water plants in the backwaters and pools, the deer daintily quench their thirst at the edge of the river, the beaver, another iconic emblem of Canada's heritage, busily engineers a better home, and the eagles and other birds glide along the river with you. No Cariboo River trip is complete without a visit to Spirit Rock. A very spiritual and peaceful place along the river, Spirit Rock gives you breath taking river views and you feel your cares drain away as you relax and absorb spirit of the river.

Trek into the land beyond the tree and a world of spectacular mountain peaks, pure fresh air, exhilarating freedom and the wild side of nature. Accessing the summer alpine habitat of the wildlife allows you to quietly walk the game trails that the bears, moose, caribou and mountain goats, wolves and wolverines and other mountain dwellers have travelled for eons. Learn to recognize the tracks of the animals and meet these mountain dwellers in their natural habitat. Learn about wildlife and the high alpine plants and birds that make up this unique part of the natural world. Throughout the summer the wild flowers blanket the alpine meadows – from glacial lilies to the tiny mountain heather.

Experience the thrill as the helicopter whisks you to new heights and new frontiers deep in the heart of the Cariboo Mountains where the vistas spread below are guaranteed to mesmerize and excite. Hiking the peaks gives you that top of the world experience that exhilarates and rejuvenates. Grizzlies, mountain goats, mountain caribou and wolves frequent the higher altitudes during the warm summer months preferring the cool mountain breezes and solitude. Learn about the unique ecosystems with rare plants and the geology of the mountains as you watch and observe.

Grizzly Valley is home to a number of big bears. As you pass quietly through lush boreal forests on your way to another world of alpine heights. Listen to the wilderness, the mountains and the forests – hear them speak to your soul as your adventure unfolds. Hear the creeks and streams tumbling down the mountainsides voicing the pure ancient wisdom of Mother Nature. Hear the multitudes of birds singing and chirping, the scurrying of small creatures, the voice of the wind sighing through the trees or just listen to the golden silence in alpine meadows surrounded by nature's palette of colorful flowers and plant life. Feel the winds as they swirl around the mountain peaks. Travel among the wildlife observing grizzlies, mountain goats, mountain caribou, wolves, black bear and moose in their natural wild habitat. This trekking experience is a unique learning experience with insights into the very soul of Canada's most unique features. It is adventure in the backcountry far from the beaten tourist tracks. Learn from your guide as you wend your way to new heights. Challenge your outdoor skills and your sense of adventure.

The adventure days start early with breakfast in the lodge at 5 a.m. A packed lunch with soft beverages, and lots of homemade snacks will ensure a wonderful picnic in the wilderness. In the late afternoon return to the comforts of the lodge for the wonderful country style gourmet Canadian cuisine Pyna-tee-ah Lodge is known for. Enjoy the evening in our gazebo near the river or beside the lodge fireplace and review the day's adventure, tell stories, or just contemplate the pure beauty of your day.

An ideal adventure trip and photographic safari for those who love to get away from it all in pure undisturbed wilderness and nature, it is ideal for all - youth to seniors and multi-generational families. Hiking areas are suitable for people with reasonable fitness levels and endurance. Terrain ranges from very easy to more rugged on the ridges we travel between the peaks. None of the hikes are exceptionally strenuous, but require some good steady walking. Fully guided by experienced mountain guides makes it an exhilarating carefree adventure.

## Why Ecotours-BC?

We are often asked what is unique about our tours. The pure intrinsic value of tours with Ecotours-BC lies in your total immersion and connection with nature. A tour with Ecotours-BC connects you with wild creatures in their natural habitat in ways you have never known. We put you on the inside of the forest - seeing with the eyes of the forest – and you become one with nature and the wild creatures. It is a pure natural nature connection. It's pure joy. And when you look back at the pictures you have taken its not just a picture of a bear or a moose or a bird or a mountain peak, its an experience that brings back the complete lifetime memory of the adventure and maybe even a life changing moment.

**Notes:** Ecotours – BC reserves the right to cancel or modify services as weather and local conditions warrant without notification in the interest of safety of all concerned. Due to weather or other conditions beyond our control we reserve the right to change the order and/or elements of the itinerary to maximize wildlife viewing opportunities and achieve best conditions for each of the trip elements based on best knowledge available at the time. We view wild animals in their natural habitat. The animals are totally wild and unhabituated. This is natural wildlife viewing of animals in their natural habitat. There are no viewing platforms and the animals are not enclosed in any wildlife preserve. With natural wildlife viewing there are numerous variables that are out of our control including weather conditions, natural instincts and movements of the wildlife, and human capabilities. We do not guarantee bear/wildlife sightings, but do our best to give guests the best opportunities for viewing wildlife and we have a very high success rate (well over 90%). Guests are required to sign a waiver of liability on arrival at Pyna-tee-ah Lodge prior to participation in activities.

### **Important Trip Planning Notes –**

Being prepared is an important part of maximizing your wilderness adventure and making it an unforgettable experience. At the time of booking we will provide you with a recommended equipment list to assist you with packing for your tour with us. Please note we do not accept liability for any circumstances that may result in the failure/cancellation of your holiday arrangements which may be due to unusual or unforeseeable circumstances or events beyond our control or that we, our agents, suppliers and associates could have anticipated or avoided. We do not carry health, life, or personal property insurance for guest benefit.

We **strongly recommend** you purchase **trip cancellation insurance** as well as extended medical insurance to cover life and health care risks while in Canada, emergency evacuation insurance in case such need should arise, and personal property insurance to insure your personal belongings against loss.

## **IMPORTANT INFORMATION FOR CLIENTS REGARDING PREPARATIONS FOR TOURS.**

It is of vital importance that when you book an outdoor adventure excursion you are properly equipped for the tours in order to get the most enjoyment from it. You must be prepared for all types of weather as it can change within minutes in the mountains of British Columbia. Guests must come equipped with warm weatherproof raingear – jacket, pants and hat, waterproof footwear – hiking boots or shoes, gloves, and clothes you can layer – one piece of which must be a good fleece or wool sweater/jumper. These items are vital to your comfort on the tours. Please see our Equipment List for full details of recommendations of what to bring for tours. (No white or light pastel colored jackets. Tans, browns, dark greens, or black is best so you can blend into the forest.)
